AWESOME SUMMER FUN CRYPTOGRAMS

The Globetrotters challenge you to decode their super-secret cryptograms! Think you can solve them? Don't worry; they've given you a helpful hint to get you going. Think about the hints and as you figure out a new word, match each letter you complete with the number below its space in the key. Next, check to see if that letter can be filled in anywhere else in any of the puzzles. (All of the puzzles use the same key.) Before you know it, you'll have them all figured out. Good luck...and HAVE FUN!
